

THE GOOD NEWS

For the Week beginning September 06, 2020

WORSHIP

St. Mark's Continues with In-Spirit Worship

Sunday services are livestreamed on Facebook at 10am (Saint Mark's Episcopal Parish Upland, CA) and Wednesday Taizé on Zoom at 7:30 pm and all services are posted on YouTube. We are using the term "In-Spirit" as the partner to "In-Person." Virtual implies not real; digital focuses on the technology; and remote discounts the intimacy. Connect to the service through this link:

Drive-Thru for Take-Home Holy Eucharist. The Readiness Planning Task Force and the Worship Committee have created a plan to distribute Holy Eucharist that is safe and reverent. This will happen on Saturday, September 12th. Between 9:00 a.m. and 10:30 a.m. Here is the way it will work:

Wafers will be prepared by Rev. Keith or Rev. Sally (masked and gloved) who will place each wafer in a small white envelope and sealed with tape. The consecration of the prepared wafers will be presented on Sunday, September 6th, in the presence of the in-spirit community. On Saturday morning, September 12th, two Lay Eucharistic Ministers (masked and gloved) will be standing by the stop sign near the north end of Drew Field. They will have baskets containing the envelopes holding the consecrated wafers. Cars may drive through, pop their trunks, and the LEMs will deposit the envelope(s) there. Drivers might want to have a suitable and sturdy container in their trunks to hold the wafer envelopes. Drivers should also be masked (gloves too if you have them!) in case an alternate way of transferring the wafers is needed.

The next day, Sunday the 13th, we can all consume the wafers "together" at the appropriate time during the online service. Please refrain from visiting or socializing during pick-up. Please also note: a driver may pick up as many envelopes as there are people in their household who wish to partake the next day. We hope to continue with this wafer distribution process on a regular basis. As always, please be aware of your own personal risk factors (such as age, underlying health issues, home quarantine situation, recent travel) and societal risk factors (such as infection rates) before participating. Please watch this space for more information as plans continue to develop. We hope this will enhance your spiritual worship experience on Sunday, connection with the community and God's presence in you and the world.

Celebrating Birthdays, Anniversaries and Other Life Hallmarks

Many thanks to Jana Garner who will be crafting our new visual celebration of monthly birthdays, anniversaries and other life hallmarks. She will be assisted by John Flasher who will be connecting with those celebrating registered celebrations the month prior. Because of our workflow, photos must be submitted by the Wednesday prior to the Friday before the first Sunday of the month. This is totally voluntary. You do not need to participate. We will NOT automatically post your photo. Many thanks for their work in this new version of an old ministry. Thank you, Jana and John.

FELLOWSHIP & WELLNESS

Please sign in! As part of our new health and safety efforts, all visitors and staff must sign in in the parish office.

A Messages from the Readiness Taskforce:

St. Mark's is a community of people who give and who volunteer to help others. This is part of what makes St. Mark's special and the place where we want to be active as Christians. But in this time of uncertainty, we should be mindful of the risks we might encounter in our enthusiasm to help and to volunteer. Please be careful! If you are in a vulnerable position (because of age or underlying health issues) or if you have any symptom that might be an indicator of COVID-19 (e.g., cough, fever, aches, difficulty breathing, etc.) please do not take the risk of volunteering at this time for any of St. Mark's wonderful ministries. And if you are someone in our community who needs to ask for volunteers for a certain ministry, please do not ask anyone who might be at increased risk. This is a good time to remember that taking care of ourselves and each other is also one of our important ministries at St. Mark's. Please be safe.

Parish Survey

The Readiness Taskforce is preparing a parish-wide survey to collect your input about returning to in-person worship services at St. Mark's campus. The survey is being sent out this week by e-mail. If you do not use e-mail, we are sending you a letter with the survey. Please be on the lookout for this e-mail or letter from St. Mark's. **Please complete the survey by Sunday, September 6.** We want to hear from all our parishioners. The first 10 responders will receive a gift card from a local business.

We all need a Spiritual Friend on our Team

A spiritual director is a bit of a misnomer. It is a companion along the way to listen to your spiritual life, to prompt deeper awareness of God's presence, and to support your spiritual being. I cannot think of a better time to have one. Hardship is always fertile ground for spiritual development and growth. Make 2020 the year of spiritual insight.

Thanks to Rev. Keith, we all have been encouraged to surround ourselves with those who will help us grow spiritually. One way to do that is through Spiritual Direction. Sign up now for cost-free Small Group Spiritual Direction. The Diocese, through the Stillpoint program and a local Spiritual Director, are offering this to everyone right now! You may have questions. Send your email to stillpoint@stmarks-upland.org. Groups are forming now, so reserve your space today.

OUTREACH

Touch Ministries to the Homeless Food Drive St. Mark's has so many wonderful Outreach projects. Unfortunately, we have not been able to participate much during the pandemic. In order to remedy that, we will be highlighting a project each month. September will be Touch Ministries. TOUCH has continued to offer services to the homeless in the greater Ontario area. David Nalbach will resume making deliveries of non-perishable food items, hygiene products, and fast food gift cards to their location in Ontario. If you would like to donate, on September 12th, have your items in plastic bags in your trunk. After you pick up your wafers and continue out of the parking lot, David and his helpers (masked and gloved) will be at the North end of the East (exit) driveway. Pop your trunk again and someone will transfer your donations to his trunk. The same precautions as with the wafer pick up apply. If you have questions for David, call him at (909)635-4297 or email at dbofrc@charter.net

Forward Day by Day

Copies of the August – October Forward Day-by-Day are available in the parish office. Hours are 9-1 Tuesday, Wednesday and Thursday. Please let us know if you are unable to come to the office and would like one delivered. parishadmin@stmarks-upland.org

San Bernardino County Election Poll Workers

San Bernardino County is preparing to open polling places for four days to serve voters for the upcoming election: October 31, November 1, November 2, and November 3. There is expected to be a need for additional poll workers, since many long-time poll workers are older and may not be comfortable volunteering. If you are interested, please go to <https://www.sbcountyelections.com/ElectionWorkers.aspx> and download the application form. Please email or mail in the completed form. Poll workers should be available all four days, although the exact schedule and training have not been set yet. The Episcopal Church and St. Mark's support election engagement:

https://episcopalchurch.org/files/ogr_vote_faithfully_2020_election_toolkit.pdf. Did you know that St. Mark's was a polling place?

Loving God, creator of this world who is the source of our wisdom and understanding, watch over this nation during this time of election. Help us to see how our faith informs our principles and actions. Amen.
